POUND
&
PINT**

MARCH 2024

This issue of the Pound & Pint is sponsored by The Highway Brewing Company for their inspiration and free internet.

So I had the idea of maybe finding the recipe to the Wayside Inn Meeting House Punch and having it on the Grog Wagon (I come up with some weird ideas sometimes). I mentioned it to Pam Burlingame that I had some huge recipe and couldn't figure out how to reduce it into a something we could make. Pam said "I'll call the Wayside Inn and maybe they'll give me the recipe". She did and they did! So we may have the Meeting House Punch on the Grog Wagon a few times! For those that want the recipe, here it is;

To make one gallon:

10 oz dark rum (we use Myers's)

1/2 bag of light brown sugar

1 liter of sweet & sour mix (collins mix)

Six pack of dark beer (we use Berkshire Hoosac Tunnel)

So a big thanks to Pam for getting that recipe!
